Hoofland's German Bitters! A Bitters without Alcohol or Spririts of any kind, is different from all others. It is composed of the pure juices, or Vital Principle of Roots, Herbs, and Barks, (or. as stedicinally termed, Extracts,) the worthless or inert portions of the ingredients not heing used. Therefore in one bottle of this Bitters there is contained as much medicinvirtue as will be found in several gallons of ordinary mixture. The Roots; &c., used in this Bitters are grown in Germany, their vital principles extracted in the country by a scientific Chemist and forwarded to the manufactory in the city, where they are all compounded and hottled. Containing no pirituous ingredients this Bitters is free from the objections preed against all othre : no desire for stamulants can be inducfrom their use, they cannot make drunkards, and cannot under any circumstances have any but a beneficial effect.

Heoffand's German Tonic, Was compounded for those not inclined to own supervision, from minute Crystal extreme afters, and is intended for use in eases when some alcoholic stimulant is reowired in connection with the tonic properties of the Bitters. Fach bottle of the toic contains one bottle of the Bitters, combined with pure Sauta Craz Rum, and flavored in such a manner that the extreme bitterness is overcome, forming a preparaon highly agreeable and pleasant to the boughts, and containing the medicinal virtu s of the Bitters. The price of the Tonc is \$1.50 per bottle, which many persons think too high. They must take into conner, in frames of the best quality of all ma- sideration that the atimulant used is guarner, in resides of the best quanty of an inn-terials used for that purpose. Their finish anteed to be of a pure quality. A pcor ar-ticle could be furnished at a cheaper price, but is it not better to pay a little more to bearing their trade mark stamped on every have a good article ?
